YANGTZE RIVER CRUISE WITH CENTURY CRUISES

Explore the Rich History and Culture of China while
Cruising on the Majestic Yangtze River.

Chongqing Gaund Century Cruises Co., Ltd., previously known as Chongqing New Century Cruises Co., Ltd., is a publicly listed company on the Shenzhen stock exchange. Renowned for its historic Yangtze River cruise industrial IPO. Today, it is a wholly-owned subsidiary of Chongqing Gaund Holding Group Co., Ltd.

Distinguished by its fleet of 12 modern and technologically advanced luxury cruise ships bearing the "Century Cruises" brand, the company sets the standard for China's river cruise industry.

As a well-established operator of China's river cruise tourism resources, Century Cruises is pivotal in showcasing the beauty and cultural richness along the Yangtze River.

Century Cruises is a comprehensive industry chain company leading the way with its independent design, construction, operation, and marketing of Yangtze River cruise ships. Renowned for its commitment to safety, environmental sustainability, technological innovation, and passenger comfort. Century Cruises sets the excellence for industry standards.

Driven by innovation, Century Cruises remains dedicated to advancing the cruise tourism industry towards high-quality development. Through its continuous efforts, Century Cruises is shaping the future of river cruising, offering passengers unforgettable experiences while preserving the natural beauty of the Yangtze River.

ABOUT US

The vision of pioneers shapes the future of cruise travel. A cruise ship is a perfect blend of seamless sailing and stunning experiences. As the leader, Century Cruises continually sets higher standards for luxury Yangtze River cruises.

Century Cruises has been at the forefront of China’s Eco-friendly vessel construction. As a responsible cruise company, we built new ships using the latest technology and implemented a low-emission system, considering the endangered species along the Yangtze River. All the ships’ interior decorative materials conform to international environmental protection standards. Also, other new cruise ships on the Yangtze are following the eco-friendly and sustainable innovations introduced by the inaugural voyage of the new ship Century Glory.

Over more than 30 years of dynamic growth, Century Cruises evolved from first-generation tourist ships to state-of-the-art electric-propelled, intelligent, environmentally friendly cruise vessels.

Century Cruises captivated travellers worldwide by guiding guests on a journey through the Yangtze with sophistication and a touch of luxury. The company’s commitment to excellence has been recognized through numerous prestigious international awards, national government accolades, and admiration from renowned media outlets across the globe.

THE BEST CHOICE FOR YOUR YANGTZE RIVER CRUISE

Embark on extraordinary Century Cruises experiences,
delving into the enriched history and vibrant civilization of the Yangtze.

We streamline the entire cruise industry chain,
ensuring collective and meticulous quality management.

Century Cruises seamlessly integrates the entire Yangtze River cruise industry chain, encompassing independent design, construction, operation, service, and marketing. Our commitment to unified standards ensures every guest experiences exceptional service and quality across all our ships.

We boast an industry-leading fleet,
setting trends through openness and innovation.

Our entire series features state-of-the-art electric-powered green cruises, designed with a core focus on technology, environmental protection, green initiatives, intelligence, and comfort. Our aim is to deliver a high-quality river cruise experience that exceeds expectations.

**We leverage our intellectual property advantages
to establish cutting-edge standards through pioneering demonstrations.**

With 31 cruise ship patents authorized by the China National Intellectual Property Administration, Century Cruises is esteemed as a national leader in intellectual property. As a key contributor, we actively shape China's river ship construction standards and operational specifications.

**We are adventurers on majestic rivers,
charting new territories with innovative cruise itineraries.**

In addition to the renowned Yangtze Three Gorges, our high-quality cruising routes are covering over 2,300 KM from Chongqing to Shanghai. These Yangtze Panorama Cruises offer opportunities to visit various ashore destinations along the journey.

**As renovators of the river cruise industry,
we usher in the new era through generational innovations.**

With a strong focus on innovation and iteration, over 60% of our cruise fleet comprises new-generation ships, a number that continues to grow annually.

**As creators of the Yangtze River cruise experience,
we blend heritages, culture to provide authentic cruise experiences.**

With 50 years of cruising heritage on the Yangtze River and nearly three decades of expertise in cruise ship construction and operation, Century Cruises is a stalwart in the industry. We consistently strive for excellence by launching a new ship approximately every 1.5 years, ensuring the Yangtze River cruise industry receives top-quality vessels.

C RUIRING IN STYLE INDULGING IN THE TRUE LEISURE

Century Cruises boasts a green, environmentally friendly smart fleet, where each ship resembles a boutique hotel gliding across the mighty river, ensuring a high-end river cruise experience. Our cruises not only showcase the grandeur of the Yangtze River but also offer top-notch services, delectable cuisine, and vibrant entertainment throughout the journey. Embark on a journey of grace, beauty, and extraordinary experiences with Century Cruises.

Indulge in breathtaking scenery from our elegant cabins.

Unplug, unwind, and enjoy magnificent nature while cruising the Yangtze River. Enjoy serene, elegant, and warm accommodations on board our luxury vessels. Relax at the balconies that provide intimate views of Yangtze's magnificent nature.

Experience unparalleled indulgence with a cabin equipped with essential amenities. Enjoy plush bedding, separate wet and dry areas in the bathroom, and exquisite toiletries. Savour in the 180-degree panoramic view of the Yangtze River from your private balcony. Our professional and highly experienced staff is at your disposal 24/7.

We offer "home from home" ensuring life on board our vessel is full of engaging activities and memorable experiences.

CRUISING AT EASE WITH PERSONAL SERVICES AND LUXURY SURROUNDINGS

Century Cruises prides itself on its brand value of providing guests with a relaxing, joyful, and stress-free tour experience. From the moment you plan your trip until the end of your journey, our attentive care ensures your comfort and satisfaction every step of the way. Our commitment to service begins before you even step foot on board and continues throughout your cruise, ensuring you can enjoy your experience with ease and peace of mind.

Luggage Handling Service

Take advantage of our complimentary luggage carrying service at the assembling point of the pier. Upon arrival at the gathering place, our porter will handle your luggage and deliver it directly to the cruise. Likewise, when you disembark, our porter will ensure your luggage is safely transported from the cruise to the assembling place accordingly.

Childcare Service

Our dedicated caregivers will engage with your children, whether they're studying or playing, granting you valuable personal time during your journey. Bring your children aboard our cruise and experience the joy of relaxing while they're in capable hands.

Complimentary Drinks

Enjoy unlimited wine or beer (designated) during lunch & dinner at the cruise restaurant. Additionally, savor a variety of seasonal drinks each day upon returning from ashore activities, welcoming you back to the ship in style.

All-day Snack Service

In addition to daily meals featuring various themes and flavors, indulge in delicious snacks available around the clock.

Expert Guiding Service

As you traverse the gorges, our experienced and knowledgeable cruise guide will offer detailed insights into the historical changes, stories, legends, and cultural backgrounds of the Three Gorges from the observation deck. During shore excursions, expert local tour guides provide professional and high-quality tour services, ensuring a comprehensive and enriching experience.

Convenient Transfer Service

Upon arrival at each ashore destination, disembark at the pier and board our tour buses, arranged to transport you between the cruise terminal and scenic spots. This ensures a seamless and relaxing travel experience both aboard and ashore.

Daily Room Cleaning Service

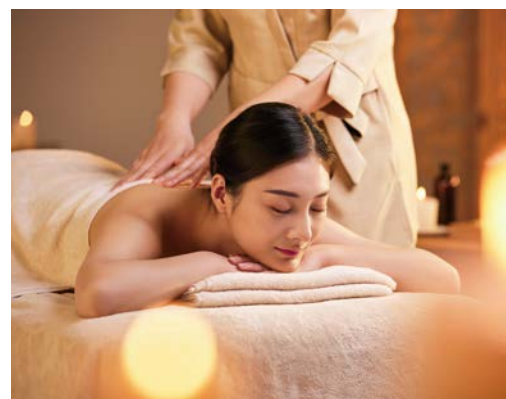

Our dedicated housekeeping staff will ensure your room is cleaned twice a day, maintaining a fresh, comfortable, and tidy environment throughout your stay on the Yangtze River.

ENJOY EVERY MOMENT

Embark on a journey through rolling waves and green mountains, where cultural and historical sites await in all their splendor. Enjoy a convenient and relaxing cruise trip with ease, complemented by a variety of onboard activities for your leisure.

Captain's Welcome Party and Evening Show

Join us for the Captain's welcome party, where the Captain personally ensures a safe journey and extends greetings to every guest. As night falls, our dedicated crew transforms the cruise into a stage. The pillar-less, high-ceilinged lounge, with its vast centre stage, offers unforgettable evenings filled with folk dancing, local opera performances, and the exuberant dancing displays of local minorities. Perhaps you will join us on the dancefloor and dance the night away in high spirits!

In addition to performances, our Yangtze River cruises offer a wide array of leisure and entertainment activities. From playing chess and card games to swimming, working out, and indulging in SPA massages, there's something for everyone. Embrace the rising sun with morning Tai Chi exercises on the deck or fly a kite in the gentle river breeze. With delightful cultural experiences and fun activities in every season, we eagerly await your arrival.

Experience the beauty of travel across the four seasons aboard Century Cruises.

Beyond the wonders bestowed by nature, we strive to craft unforgettable memories for our friends from afar. From the gentle spring breeze to the vibrant summer blooms, the tranquil autumn leaves, and the serene winter waters, each season brings its own charm. As time unfolds, smiles blossom sweetly amidst the changing seasons.

SAVOR THE DIFFERENCE
WHILE CRUISING WITH
CENTURY ALONG
THE YANGTZE RIVER

Embark on a culinary journey while crossing mountains, rivers, and sailing through the Yangtze River. Indulge in delicious cuisine meticulously crafted with strictly selected ingredients. Our themed cruise delicacies and Chinese and Western buffets showcase the unique food cultures along the Yangtze River, offering you a taste of local flavors throughout your journey.

Culinary Delights

no cruise is complete without superb food and ours is magnificent, freshly prepared and expertly cooked by international chefs. Our breakfast choice ranges from sumptuous croissants filled with chocolate or almonds, freshly-made coffee, juice or English tea, to fresh fruits, yogurts as well as bacon and eggs. Alternatively, if you feel adventurous, you can taste some of the traditional breakfast food such as delicious steamed buns, soybean milk and tempting deep-fried dough sticks or rice porridge. Lunch and dinner offer both Chinese and Western buffet meals with variety of choices that is almost too exquisite to tuck into. Meals are generally all served in the single-seating main restaurant, with marvelous picture windows which invite the dramatic scenery of the Yangtze indoors.

Daily Snacks

Savor snacks throughout the day as your culinary journey begins aboard the cruise. From the moment the journey sets off, indulge in snacks available not only during meals but also at various other times throughout the trip.

Late-night Snacks

Our warm canteen awaits you until late into the night aboard the cruise. Enjoy delicious late-night snacks while relishing the tranquil moments on the river when hunger strikes at night.

Unlimited Free Drinks

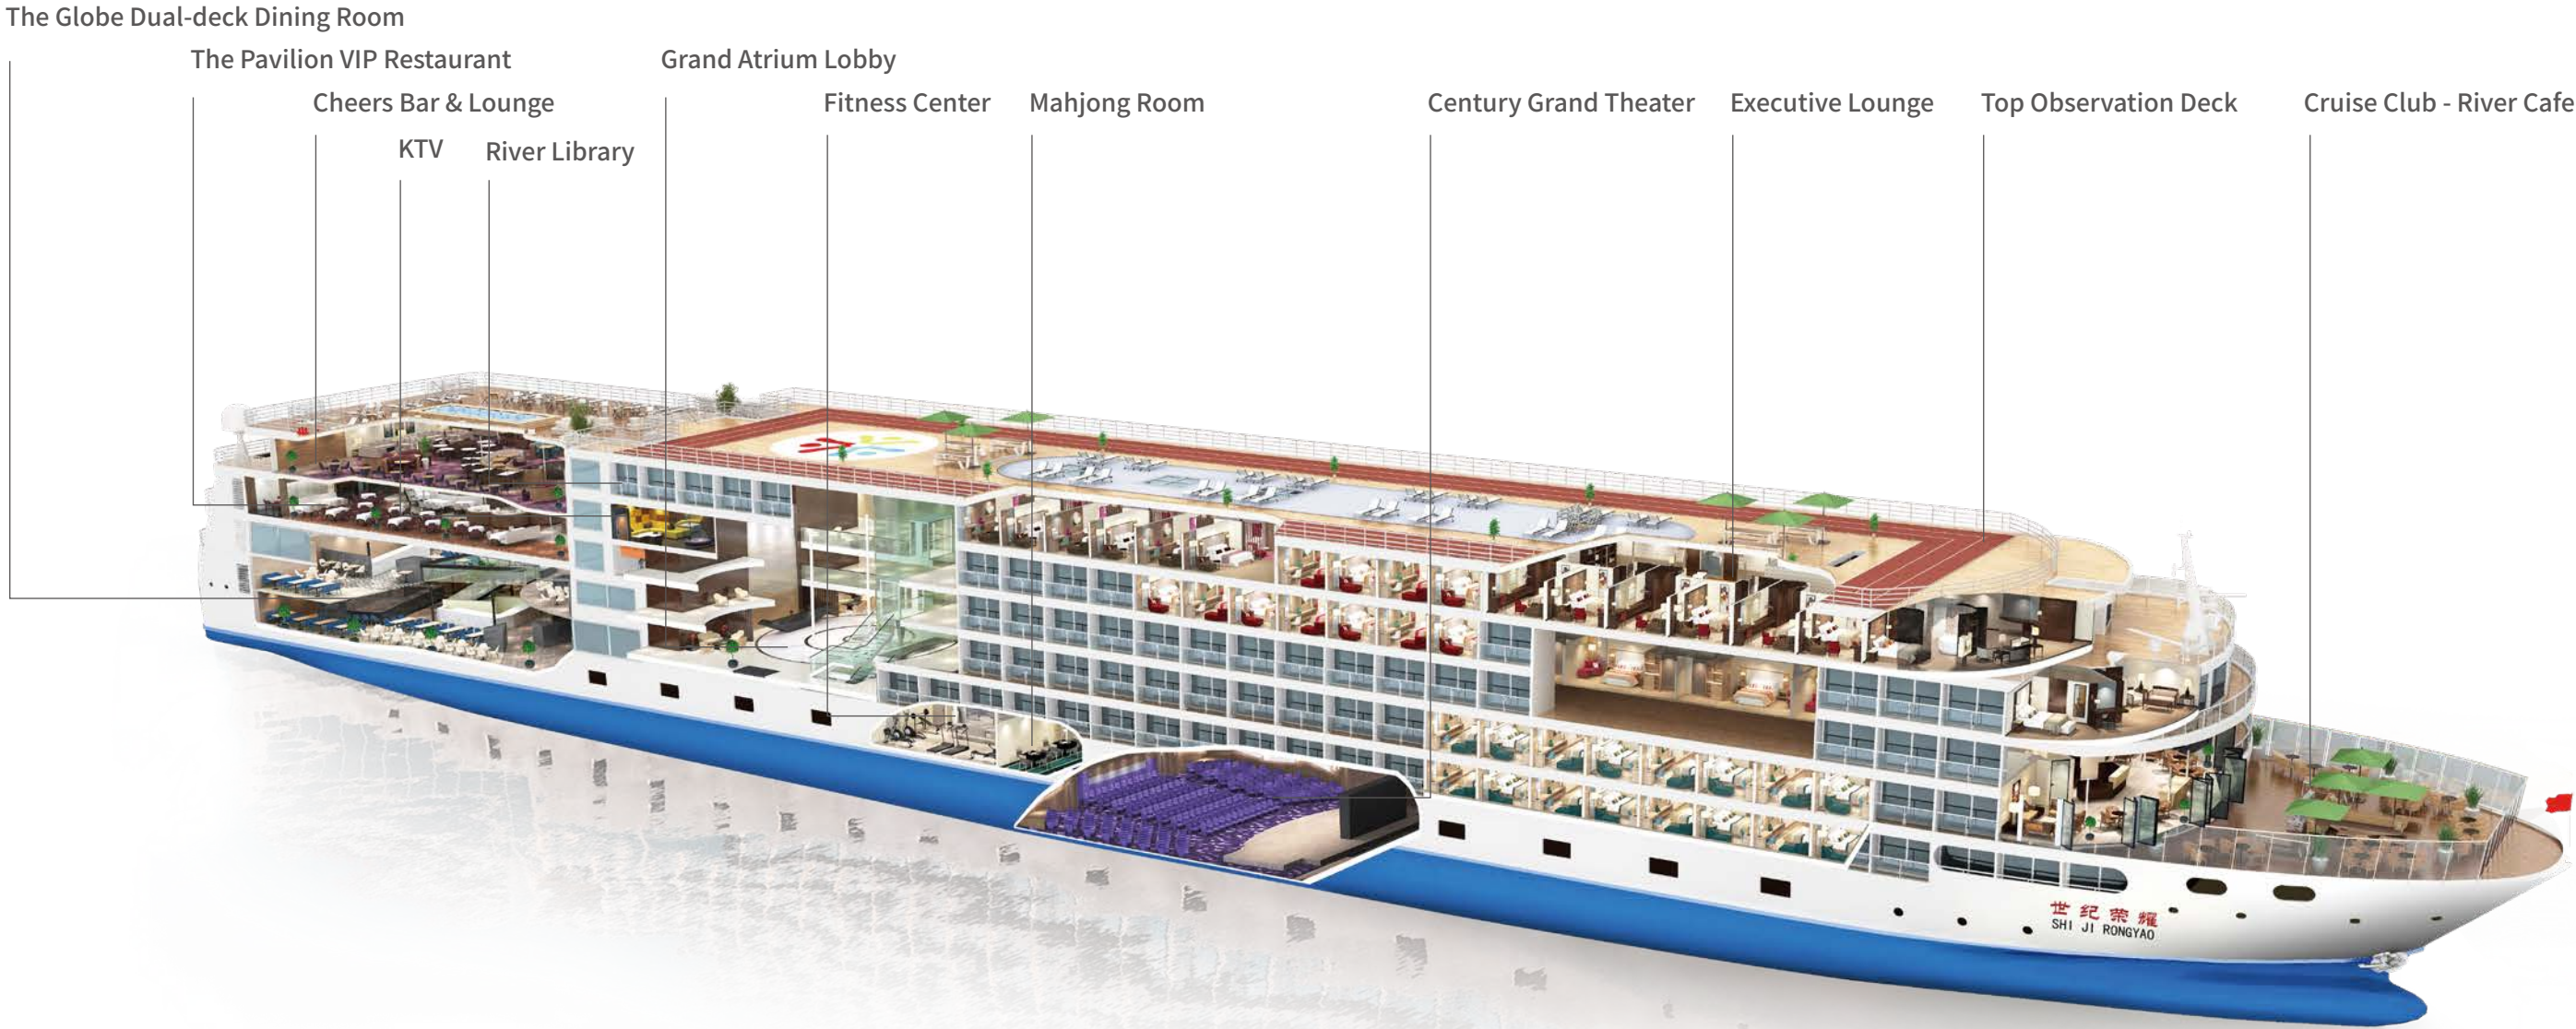

Unleash endless joy with unlimited free drinks during your happy moments aboard the cruise. All Century cruises offer complimentary designated wine and beer during main meals.

LIBRARY ON THE CRUISE

The "River Library" aboard Century Paragon and Century Legend is affiliated with one of China's largest comprehensive public libraries, Chongqing Library, also known as Roosevelt Library. Our passengers can browse a wide selection of books while cruising on the Yangtze River onboard Century Cruises. The library has been honored with the "Most Beautiful Public Cultural Space Award" and "Top 100 Public Cultural Spaces Award" by the Public Service Division of the PRC's Ministry of Culture and Tourism, further affirming its significance.

This dynamic public space flows with the river, offering a plethora of amenities including a heated indoor swimming pool, fitness center, bar and lounge, high-definition cinema, junior cruisers center, and more. Whether you seek relaxation or excitement, the onboard cultural and entertainment spaces ensure a truly enjoyable cruise experience for all.

CENTURAMA VERSE

The “CENTURAMA VERSE” is the first themed sightseeing cruise ship under Century Cruises. It is also the first green, intelligent, high-end, luxurious and large-scale sightseeing cruise ship on the Yangtze River. Integrating leisure, culture, entertainment and catering, it enhances the guests’ sightseeing experience during short trips from multiple dimensions. It operates on the route from Fengjie to Maoping, allowing passengers to enjoy the essence of the Qutang Gorge, Wu Gorge and Xiling Gorge in one day, truly realizing the scene described in the poem by Li Bai “At dawn from Baidi amid clouds in hues, A thousand-miles to Jiangling back in a day.”. The cruise ship is 100 meters long, 15.8 meters wide, with five decks and a capacity of 650 passengers. It made its maiden voyage in October 2024. The appearance of the "CENTURAMA VERSE" has created a brand-new business model for sightseeing ships and injected new impetus into the development of tourism in the Three Gorges area.
